

## Improving Teaching and Learning INSET

**St Joseph's College in partnership with Trentham High School offer a range of teaching and learning workshops to help raise standards in the classroom.**

Building on the extensive experience and expertise of a team of outstanding practitioners, all of whom have experience of leading staff INSET in local schools, we can offer practical and accessible workshops which can have an immediate impact on the quality of teaching and learning in your school.

*"All of the workshops inspired and motivated my teaching"*

*"I will be sure to implement many of the things learned from this into my own lessons."*

Trentham High School staff

### **Bespoke workshops, delivered by our own expert teachers.**

Workshops can be delivered as part of a day long INSET, or as twilight sessions, and the focus and overall theme of the training will be tailored to suit the specific requirements of your school. The training can be delivered to small groups or the whole staff.

The workshops concentrate on a range of core pedagogies which can be immediately applied to improve teaching and learning.

Workshops available are:

- ◆ Differentiation techniques
- ◆ Cooperative Learning
- ◆ Dealing with low level disruption
- ◆ Outstanding questioning
- ◆ Improving pupil progress
- ◆ Independent Learning
- KS3 Able and talented
- ◆ Outstanding literacy and numeracy
