

## Programme ideas: Skills section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a Skills programme of your own!

For each idea, there is a useful document giving you guidance on how to do it, which you can find under the category finder on [www.DofE.org/skills](http://www.DofE.org/skills)

### It's your choice...

Developing a skill helps you get better at something you are really interested in and gives you the confidence and ability to use this skill both now and later in life.
