

RC/ja/Year 7 Home Learning
29th September 2016

Dear Parent(s)/Guardian(s),

Attached you will find a copy of your child's home learning timetable. Home learning is a key element in your child's education. It is a means of reinforcing, extending and enriching lessons so that curriculum coverage can be widened, and all students can be suitably challenged.

Some home learning will be set to be handed in the next day, but most will be handed in at a later date, allowing students to spread their workload evenly. Please encourage your child to make full use of their planner, as this is a valuable aid to good organisation.

It is important that children develop good work habits and, to this end, they need to be encouraged to complete home learning in surroundings with as little noise or distractions as possible. The drafting and correcting of work is encouraged prior to completion.

A student who either makes insufficient effort, does not hand in, or does not complete home learning will receive a same day detention. If printing facilities are not available at home then encourage your child to email the work to their school email address or save it on a USB pen drive. The work can then be printed the following morning in school.

If there is a particular problem with home learning then please contact the Subject Teacher in the first instance through the planner. Other concerns regarding home learning should be referred to your the Form Tutor, Head of Year or Key Stage Co-ordinator. The pupils will receive a copy of their home learning timetable during tutor period week commencing 26th September and will be encouraged to transfer the information into their planner.

Yours sincerely,

Mr R Christopherson
Assistant Headteacher

St Joseph's College

YEAR 7 Home Learning Timetable September 2016

WEEK 1

FORM	MON	TUE	WED	THUR	FRI
7SB	Science Geography Art(BL3) COMP.(BL4) DT(BL1+BL2)	Music English History	Maths Science Art(BL4) COMP. (BL1,BL2,BL3)	RE English	Maths French Art(BL1+BL2) DT(BL3+BL4)
