

ST JOSEPH'S COLLEGE

A SCIENCE SPECIALIST COLLEGE

HEADTEACHER: MS MELISSA L ROBERTS, BA (HONS), MA, NPQH

CES/hr/incident
2nd December 2020

Dear Parent(s)/Guardian(s),

Unfortunately, we have been notified of an incident that happened yesterday, as school finished for the day at 3:35pm. A female member of the 6th form was subjected to a member of the public exposing himself to her. The incident happened on Wakefield Road behind the park to the rear of our Fideliter building and we believe the male in question was approximately late 20s in age with a dark beard.

The matter has been reported to the police, and whilst the affected student is shocked but fine, I am mindful that if this had happened to one of our younger students, there may have been a different outcome.

Please reiterate to your son/daughter to be vigilant and if they have any issues at all, where they feel unsafe, to come back into school or find a public place to seek help.

If you have any questions, please do not hesitate to contact myself at college.

Yours sincerely,

Mrs C E Slattery
Deputy Headteacher

National
Teaching
School
