LONDON ROAD, TRENT VALE, STOKE-ON-TRENT, ST4 5NT

MLR/fmu/Events.Carol Service.Parents
29 November 2021

Dear Parent(s)/Guardian(s),

I would like to extend a warm invitation to you to our annual **St Joseph's College Carol Service**

Wednesday 15th December 2021 at 7.00pm
Victoria Hall, Hanley
Tickets £5

This is a wonderful occasion for the whole family and a fantastic way to end the term. There will be more than 450 students contributing on stage and behind the scenes, and over the years every St Joseph's student has taken part during their time in the college: it really is a whole-community celebration. For this year only the whole of Y8 will be taking part as well as all Y7 students.

- Tickets available on Parent Pay from Monday 6th December. Unfortunately, tickets purchased are non-refundable
- Please then print your receipt and send to PIP who will distribute tickets to students
- Book now as tickets sell out quickly
- For support with accessible seating, please contact Mrs C Borasinski at the PIP
- Please bring to the theatre proof of Covid vaccination/Covid Pass. Please see the Victoria Hall website for details

At the end of the service there will be a retiring collection which will be split between two charities Fr Hudson's and Gingerbread, local charities supporting those in our own community who are in need.

If you run a business, large or small, I would ask that you consider advertising in our programme. Rates are reasonable and you would be supporting St Joseph's College with continuing the tradition of this most special evening. For more information on sponsorship or advertising, please contact Fiona Uschmann at school.

The students are busy preparing a selection of beautiful music and drama pieces, readings and art work for the Carol Service – they are tremendously excited to show the results of their labours to family and friends so I look forward to seeing you on Wednesday 15th December to celebrate the end of a busy and exciting term in style.

Yours sincerely,

M L Roberts (Ms)
Headteacher
