CC/sb/letter/Sixth Form Culture Day

22nd January 2024

Dear Students/Parents/Guardians,

Sixth form culture day – Friday 9th February 2024

Following the huge success of our main school Culture Kitchens in 2022 and 2023, I am delighted to write to you to tell you we are holding a similar sort of event this year for our sixth form students. Our Sixth formers have heard about the joy of the event and are extremely keen to give our sixth form a similar experience. They have already been busy sorting out music and activities, and eagerly engaging with their peers to make this a day to remember. It promises to be a great addition to our calendar! We are very excited about being able to celebrate our beautifully diverse community in this way.

We encourage all students to wear cultural dress/clothing on the day, to represent an element of their own family's heritage or culture. If students are not from an ethnic minority background, then we would love to see them dressed in a way that represents a period in history e.g. 1960s, 1970s etc.

There is no doubt, the one standout element of our main school Culture Kitchen was the number of students and parents who shared their culinary skills and their cultural heritages with us. Therefore, I would like to ask if there are any wonderful chefs, cooks or bakers in our community who would be prepared to create a dish that would contribute to our sixth form culture day and celebrate our community's diversity.
